

### **Inclusion statement**

bangshees is open to all who identify and live as women. We welcome and celebrate a diverse range of women who are encouraged and supported to bring their whole selves to our group. We are committed to ensuring all members are treated fairly and equally. We recognise that some people who are gender non-binary may be presumed to be women, or live as women. bangshees is open to gender non-binary people that may wish to join the group if they feel comfortable to do so (understanding that they are likely to be 'read' as women).
